The Prospect.

It has been our invariable rule, in conducting the Times, to represent to our readers the politioal condition af the country with as much accu racy as possible. Mr. Patillow on taking the Chair, made a few remarks in referrence to the Peoples Bank, when the following reamble and resolutions were taken up separate and unanimously adopted.

LETTER FROM NEWCASTLE.

NEWCASTLE, KY., Aug. 5, 1856. LOUISVILLE DAILY TIMES ;- The vote in this county gives us some idea of our strength as compared with the vote of last year. There are several local causes, well known here, which operated to show our strength in Henry county as less than it teally is. The vote between Marshall and Duvall is nearer a test vote than any other. Yet Davall's vote is less than will be given to Buchanan and Breckinridge in November. Last year Clarke carried the county by 139 majority, Now Duvali's majority is about 215. Buchanan nen acquitted themselves with credit, and to the precinct by one majority. Unfortunately for us our K. N. friends of this county will not invite him back. Indeed, some of them seem to think that some body els was "called" and that he "answered." am not disposed to discuss his merits. LETTER FROM BARDSTOWN.

BARDSTOWN, Ky., August 7, '56. DEAR BULLOCK:-The election is over and our najority fell behind that of last year 18 votes. This, however, is not attributable to any increased strength of the Know-Nothing party, but is owing to the fact that our men did not come

At Ballards', where we got a majority of 17 ast year and 174 votes polled; this year our majority was 136, 143 votes polled. At New Haven our men did not come to the polls, from want of organization, and our majority fell behind 9 votes.

In the Chaplin, Bloomfield and Fairfield precincts the Know-Nothings got small majorities. In those precincts M'Kay was the deputy running with Talbott, and many men of our party were under personal obligations to him and did not vote; and some of theil voted for him through probably herald this to the country as a gain on this county.
In Chaplin precinct where the Know-Nothing

candidate for sheriff received a majority the Democratic candidate for constable was elected. The Know-Nothings polled very near their entire strength; whereas, the Democrats did not Buehanan and Breckinridge will bring the

majority in November to 250. Mark the prediction. The Know Nothings are going to put forth their whole strength and try te defeat us; but the Democrats, true to the precents of Jefferson and Jackson, will stand firm and roll up a glorious Bullitt county has redeemed herself by her vote

this year. I see an editorial in the Journal yesterday

elected over Bevil, Democrat, for olerk. Brown, The Democrats in this region are determined to carry the day, and I firmly believe that they are united everywhere in the support of Buchanan

and Breckinridge.

The decrease in our majority has added nothing to the strength of the Know-Nothings. They were deceived in their calculations most wofully. Kavanaugh and Barnett's majority was very large.
Dry Weather, small crops and searcity of water are the order of the day in this region.

KENTUCKY ELECTION.

HANCOCK COUNTY. HAWESVILLE, Aug. 6.

Below is the official vote of Hancock county, taken from Poll Books: Circuit Judge-Stewart, K. N., -Stewart's majority, County Clerk-Stone, Dem., Johnson, K. N., Stone's majority, -

Sheriff-Gibbs, Dem., Thomas, K. N., Gibbs' majority, Stone's majority may be regarded as the true Democratic majority in the county at present, but we can easily increase it to 100 in November. Sam has departed from this region

Mr. Morris needs no recommendation from us in this community. He has been for many years identified with the commercial men of Louisville and maintained a character for probits and courlesy that justly entitles him to the esteem and regard of every man with whom he has had business relations.

Mr. Shockency comes from Shelby county with the character of a reliable gentleman, and withal is an expert in borse keeping and training. Both of the gentlemen named above possess all the requisites to secure the entire confidence of this community, and they are from natural preference, experience and education, peculiarly fitted for their business and will very justly receive a liberal patronage. We understand that these gentlemen contemplate enlarging and improving their establishment, not only to secure facilities to accomo date a large number of "boarders," but also to have room to increase the number of their fine "teams to let." Few persons can be found who do not like to be well dressed, with taste and in becoming apparel. With a great many it is a desideratum which is not possessed, but which is tweertheless properly appreciated. Sinch persons can be gratified by calting on me. I keep constantly on hand a superior succk of ready made Clothing, which I sell reasonably.—Those wishing to have a fine suit will et least save from ten to twelve dollars by calting on me, and I will guarantee a fit to the most deformed.

Warm weather has now set in, gents have your clothe scat to me, and have them beautified. They will represent a very different appearance for a reasonable considersout to me, and have them beautified. They will represent a very dufferent appearance for a reasonable consideration. Those pishosophers who insist that dress makes the man, can put their philosophy to the test at a very training expanse. If their philosophy prove false, however, upon actual experiment, it will not be my fault. I will impart to an old, ours, faded garment such a lustre that one will barely recognize, their own clothess after passing through my badds. My shop is cell full of work. Call and see for yourselves. Thenexa to my liberal patronisers. This notice is to strangers in particusary, as my old friends know where to find me.

My manner of clenning and dyeing are both an improvement to texture and lustre of cloth.

Indigestion, nervous irritability, despondency, a sense of weight in the stomach, and severe pains in the left side, rendering mc, for the time being, truly wretched. Fortusately, I was recommended by a friend to try your Elixir. I did so, and in tess than two weeks, indigestion ceased; pain and nervous depression let me, and appetite, with mental and bodily health, were fully restored.
